

STOP RACISM!

There are thousands of groups working for the interests of blacks and other non-whites, but how many groups stand up for the cultural values of whites? Not many! As a result, we are faced with reverse discrimination in jobs, promotions and scholarships-high taxes for non-whites welfare- a black and Hispanic plague of crime- gun control- anti white movies and TV shows. In short, a society oriented to the wishes of non-whites!

We of the United Northern & Southern Knights of the Ku Klux Klan are un-apologetically committed to the interest and values of the white race! We are determined to maintain and enrich our cultural and racial heritage! We are growing fast and strong because we have NEVER compromised the truth! Want to learn more?
