

WHITE AND PROUD!!

There is a lot of talk these days about Black pride, Jewish pride, Hispanic pride, and even "gay" pride. In fact, there is only ONE major segment of the population that is not encouraged to take pride in its heritage and in the achievements of its ancestors. That group is the White Race.

The lack of White pride is truly a sad and strange thing, because no group has more to be rightfully proud of than the White people of the world. The glories and greatness that the men and women of our Race have won over the centuries should serve as a source of eternal pride and inspiration to White people everywhere.

Since the dawn of history, we have been a mighty Race of builders, explorers, artists, warriors, inventors, philosophers and cultivators. We have sailed the seas, tamed the vast wilderness, scaled towering mountains, journeyed to the depths of the ocean and into the cold void of outer space.

We have built great civilizations, created breathtaking works of beauty and made the deserts bloom. The technological achievements of our people, from the megalithic calendar of Stonehenge to the moon-walk of the Apollo astronauts, are unequaled.

We have devised sublime philosophies, conquered deadly diseases and performed soul-stirring acts of heroism and self-sacrifice. We are the Race of Shakespeare, Leonardo da Vinci, Beethoven and Homer. We are the sons and daughters of Leif Ericson, Christopher Columbus, Sir Francis Drake and Magellan. We are the folk of Alexander, Caesar, Napoleon, Washington and Robert E. Lee. We are the descendants of Pythagoras, Galileo, Copernicus and Newton, just to list the great accomplishments of our Race would require the work of a lifetime.

No one has more to be proud of than we do! In order for an individual to be psychologically healthy, he or she must have a clear-cut source of identity and self-worth. And for our Race as a whole to be strong and healthy, White people everywhere must develop a sense of racial identity and *racial* worth. There is no better way to attain this very necessary level of racial awareness than in having pride in your people and their accomplishments. So take pride in your Race, take pride in what we have achieved in days gone by, and take pride in what we will yet accomplish as we reach for the stars.

Be White and proud!
